

MegaShot 3000

ENGINEERED FOR THE PROFESSIONAL TRADE

The MegaShot is perfect for those looking for maximum cleaning power with minimal investment. This model is ideal for the serious "Do-it-Yourself" property owner, or professional painter who always wanted a SIMPSON® but never thought they could find one to fit their budget. The MegaShot 3000 is great for new business owners and contractors who occasionally need a reliable pressure washer. Compact in design, it is small enough to be easily loaded and transported by one person.

Key Features:

- Direct Drive Engine and Pump System
- HONDA® GC 190 Series Engine
- SIMPSON® axial cam oil bath pump
- Easy-Start Valve & Thermal Relief Valve included for Operator Safety
