

# Mega Shot

## ENGINEERED FOR THE PROFESSIONAL TRADE

The MegaShot is perfect for those looking for maximum cleaning power with minimal investment. This machine was created especially for the professional painter who expects the top performance and quality of a SIMPSON® pressure washer at a price that fits their budget. The MegaShot is ideal for new business owners or contractors looking to extend their business into pressure washing. Compact in design, it is small enough to be easily loaded and transported by one person.
