

King Brute®

ENGINEERED FOR THE PROFESSIONAL TRADE

The King Brute is designed for long days filled with the toughest cleaning assignments. This heavy-duty machine does not compromise on power or performance! The four wheel chassis makes it a snap to maneuver around the job site. The robust Briggs & Stratton® engine powers the industrial triplex pump through a direct-drive system, delivering 3,000 psi @ 3.0 gpm. These features make it the King of the Brute Series high pressure washers!

3,000 PSI @ 3.0 GPM mounted on a rugged maneuverable chassis!

Key Features:

- Clean Burning, fuel efficient vertical combustion chamber utilizes kerosene or #2 diesel fuel.
- Heavy Duty coil is backed by a 5-year warranty
- Steel burner wrap
- Extra large steel diesel fuel tank provides all day cleaning without refueling
