Key Features

The Control Panel

- **Centralized location for all controls.**
- **Four mounting points for the nozzles.**
- **Burner on-off switch mounted away from water inlet or outlet, improving safety for the operator.**

The Pump and the Motor

- **Rugged Axial Pump delivers long life and dependable service.**
- **Direct Drive System connects the pump to the motor.**
- **Quick-Connect downstream (high pressure) detergent injector with detergent & chemical pickup hose.**
- **High Temperature Limit Switch.**

The Hot Water System

- **Clean burning, fuel efficient vertical combustion chamber utilizes kerosene or #2 diesel fuel.**
- **Beckett™ burner system quickly heats water up to 190° F.**

The Frame and Accessories

- **Rugged steel tube chassis with durable powder coated finish.**
- **Two-Wheel chassis makes it easy to maneuver on the jobsite or in the shop.**
- **Includes mounting points for gun and hose storage.**
- **Includes 50' of 3/8" high pressure hose rated for hot water use, trigger gun, and wand.**
- **4-gallon Diesel tank located low on the frame helps with balance and reduces overall weight.**
