Key Features

The Control Panel

- **Centralized location for all controls.**
- **Four mounting points for the nozzles.**
- **Burner on-off switch mounted away from water inlet or outlet, improving safety for the operator.**

The Pump and The Motor

- **General Pumps™ brand Industrial Triplex Pumps.**
- **Dual Belt Drive System connects the pump & motor with flexible V-Belts.**
- **Built-in upstream (high pressure) detergent injector with detergent & chemical pickup hose and chemical metering valve.**
- **Your choice of Vanguard or Honda gasoline-powered engines.**
- **Diesel-powered engines available upon request - just specify your brand preference and let Delco take care of the rest!**

Factory Installed Options

- **Stainless Steel Fuel Tanks**
- **Stainless Steel Burner Wrap & Control Panel**
- **Pressure Gauge**

The Hot Water System

- **Clean burning, fuel efficient vertical combustion chamber utilizes kerosene or #2 diesel fuel.**
- **Stainless steel cover protects the burner and the operator.**

The Frame and the Accessories

- **Rugged square steel tube chassis with durable powder coated finish.**
- **Includes 50' of 3/8" high pressure hose rated for hot water use, trigger gun, and wand.**
- **Dual 20-gallon fuel tanks for Gas and Diesel keep you working all day long without stopping to refuel.**
- **Compact skid-style minimizes space required in your truck or on your trailer, maximizing space for your tools and hoses.**

- **Thermostatic Control**
- **120VAC WINCO™ Generator**
- **Hour Meter**
- **Wheel Kit**
